Michael Koch

Impressum

The **'Reports of the European Society for Socially Embedded Technologies'** are an online report series of the European Society for Socially Embedded Technologies (EUSSET). They aim to contribute to current research discourses in the fields of 'Computer-Supported Cooperative Work', 'Human-Computer-Interaction' and 'Computers and Society'.

The 'Reports of the European Society for Socially Embedded Technologies' appear at least one time per year and are exclusively published in the Digital Library of EUSSET (<https://dl.eusset.eu/>). The main language of publication is English.

ISSN 2510-2591

<https://www.eusset.eu/report-series/>

The contents of the report series are made available in the EUSSET Digital Library at <https://dl.eusset.eu/>

EUSSET is an institute of Social Computing e.V., a non-profit association according to the German legal system – founded on November 13th 2012 in Bonn, Germany (Nordrhein-Westfalen Amtsgericht Bonn VR 9675).
